Reflection

Generous and Merciful God, fill us with compassion and concern for others, young and old; that we may look after each other in these challenging times, especially those among us who are vulnerable. May your example give us the courage we need to go to the margins, wherever they may be. Heal us of our fear.

Healing God, bring healing to those who are sick with the Coronavirus and be with their families and neighbours. We pray especially who those who are isolated, that they may know your love. Stay by our side in this time of uncertainty and sorrow.
