their recent bereavement. In gratitude  
Holy Mass will be offered for your  
intentions.

*"You can have flaws, be anxious, and even be angry, but do not forget that your life is the greatest enterprise in the world. Only you can stop it from going bust. Many appreciate you, admire you and love you. Remember that to be happy is not to have a sky without a storm, a road without accidents, work without fatigue, and relationships without disappointments.*

*To be happy is to find strength in forgiveness, hope in battles, security in the stage of fear, love in discord. It is not only to enjoy the smile, but also to reflect on the sadness. It is not only to celebrate the successes, but to learn lessons from the failures. It is not only to feel happy with the applause, but to be happy in anonymity.*

*Being happy is not an achievement for those who can travel within themselves. To be happy is to stop feeling like a victim and become your destiny's author. It is to cross deserts; it is to be able to find an oasis in the depths of our soul. It is to thank God for every morning, for the miracle of life.*
